Welcome to
Brinkworth Primary School

Dear Parents/Caregivers

We, the staff of Brinkworth Primary School, extend a very warm welcome to all children and parents. Co-operation, support and understanding among staff, parents, children and the total school community is the strong foundation to educating the students in this local community.

Two-way communication is of utmost importance between parent and teacher. If at any time you have a concern or query no matter how small it may be regarding your child or the school, please contact us immediately to discuss the matter.

Heather Grace
Principal

A BRIEF HISTORY OF THE SCHOOL

FORMATION 1895
An iron church building was erected on land donated by Mrs George Brinkworth for the Bible Christian denomination. This was opened in May 1895 and from June 2nd. 1895, was used as a school under the control of the Education Department. The first teacher was a Mrs Lingson who transferred from the Hundred of Boucaut School.

The Education Department School and teacher’s residence were opened in 1897 on Lots 25 and 26, which were purchased from George Brinkworth’s estate together with Lots 33 and 44. In 1914 a new stone classroom was erected behind the original building.

AREA SCHOOL
The official opening of the Brinkworth Area School, which took place on 29th February 1944 by The Minister of Education, Hon S. Jeffries, Superintendent of Rural Schools, Mr H C Hosking and his wife, Sir Robert and Lady Nicholls and Mr and Mrs A.L McEwin.

Four surrounding schools—Mallee Corner, Ulymah, Rochester and Condowie were closed and the upper primary children attended from Koolunga and Blyth. Altogether there were five buses and a large majority of children travelled to school in them.

14 December 1973 marked the end of the Brinkworth Area School and hence the end of secondary Education at Brinkworth.

PRIMARY SCHOOL
At the commencement of the 1974 school year, Brinkworth was again a primary school. Later in that year the staff and students moved into a new building which replaced the old area school buildings.

The official opening took place in October 1975.
The first principal of the Brinkworth Primary School in 1974 was Mr Wally Armitage.

- Consolidation
- Completion

The attitudes and skills to be fostered by homework should include:

- Student self-organization
- Self-discipline

- Unfinished work

The following framework indicates the recommended amount of homework per night for each year group:

- **R - 2:**

- **Years 3, 4, 5:**
  - Up to 20 minutes reading and spelling
- **Years 6 - 7:**

Children who do not complete a satisfactory amount of work during lessons will be expected to catch up at home.

A note to that effect will be written in the child’s diary and signed by the teacher concerned.

LIBRARY
The library is open each day for use. Children are encouraged to borrow suitable material and be familiar with borrowing procedures. The Junior Primary children borrow on a weekly basis and require a library bag.

COMMUNITY LIBRARY
A community library is also housed within the school. To borrow from this library you must be registered. This is only a matter of coming to the school and filing in a registration form from the librarian who will give you a borrowing card.

The library is open on Tuesday and Thursday afternoons from 4:00pm—5:00pm. The library is regularly re stocked with books from Snowtown Community Library.

SWIMMING LESSONS AND CARNIVAL - TERM 1
Term time swimming, combined with Koolunga Primary School, is held early in Term 1. Teachers can take swimming lessons during PE time with a supervising parent from the opening of the pool during Term 4 and throughout Term 1. Students can bring their bathers on days 30 degrees and above as staff often end the day with a quick swim to cool off.

Our swimming carnival is held early in Term 1, stalls are run by students and produce is prepared at school before the Carnival. Class teachers consult each other to organise this. A BBQ is organised by Governing Council.

SPORTS DAY – TERM 3
This is combined with primary schools from Blyth, Koolunga, Booborowie and Spalding. It is held at different school venues each year in Term 3.

When it is Brinkworth’s turn to host the day, the Governing Council mark the Oval and organise the Lunch for all the schools and their families. Parents are required to transport own children to Sports Day.
CONCERT – TERM 4
This is held at the end of each year at a date decided by staff in consultation with the Governing Council. The Year 6 and or Year 7 students leaving the school are presented with a Dictionary/Thesaurus. The whole school performs a production or individual classes present an item. The Principal and Governing Council Chairperson give reports.

EXCURSIONS/CAMPS
The Education Act requires that parents give written consent before a child goes on a school trip, excursion or camp.

Local excursions in Brinkworth are covered by a signed written yearly consent received in the child induction package.

ASSEMBLIES
Assemblies are held for sharing student learning at the end of each three week elective block. Dates are published in the School Newsletter.

TRANSITION TO HIGH SCHOOL
Brinkworth Primary is a R-7 school but we do offer our Year 6 students an opportunity to take part in a series of visits to Clare High School for orientation and information giving. These visits are organised by the High School allowing parents the chance to discuss middle school options.

GOVERNING COUNCIL
The Governing Council is considered to be an elected body of the school. It may consist of parents, the Principal, Parents and Friends representative and a staff member.

The Annual General Meeting is usually held in February. Council meetings are held at least monthly, at which matters duly affecting the school are discussed and appropriate decisions made.

All parents are welcome to attend any Governing Council meeting.

To ensure that all parents can have an input into Council discussion a network system has been organised with one council representative being responsible for 1-2 school families.

PARENTS AND FRIENDS Club dissolved at the end of 2008. They are now a fundraising component of the Governing Council.

SCHOOL GROUNDS - Oval
The school grounds are supervised from 8:30am to 3:45pm on school days. Outside these times teachers will not accept responsibility for accidents etc. Adults using the grounds before and after school, or at weekends, are responsible for their own actions. Adults must supervise children on the school grounds outside of school times.

LEAVING THE SCHOOL GROUNDS
No child is allowed to leave the school without written or verbal parent/caregiver permission or in special circumstances as approved by the Principal.

CATASTROPHIC BUSH FIRE DAYS
The school will be closed on Catastrophic Bush Fire Days. Notification will be sent the day before a declared catastrophic day, this measure has been put in place to protect students and staff.

HOT WEATHER
Because our entire school is air-conditioned in extremely hot weather the school will remain open until normal dismissal time.

WET WEATHER
Children will remain indoors under supervision during wet weather.

HINTS FOR HELPING YOUR CHILD AT SCHOOL:

**TALK** to your children. Help them to add to ordinary conversation and then more words will have meaning for them when they see words on a printed page.

**LISTEN** to your children. Children must have opportunity to express themselves. Encourage them to talk about things they have seen or done.

**READ** to your children. Children who have been read to, usually are more anxious to read themselves.

**TEACH** your children to take care of books.

**BUILD** up a reading atmosphere at home. Tune into thoughtful programmes on reading on the TV which will give them worthwhile information as well as entertainment.

**BUY** books, games, and puzzles for your children. These aid their physical and mental development.

**PRAISE** your children’s effort. Some children have difficulties with some subjects. Even small gestures of praise or a display of enthusiasm is enough to excite and motivate children successfully.

**KEEP** your children well rested. Children who have stayed up late show adverse effects of it the next day at school. Take special care to correct sight, hearing or nutritional needs.

**GIVE** your children responsibilities that they are capable of taking. This allows them to earn recognition and to get real satisfaction from their accomplishments.

**ENSURE** that you encourage good attendance habits in your children.

**CONSULT** regularly with your children’s teachers to ascertain how you may best assist them. Your children must know you support the teachers and school, and are in regular contact with the school.

**SET** aside a regular time for home reading, (or homework in later years). Give them a definite place to work in and assist them to develop daily homework routines.

Accept your children as they are! Do not compare them with others! Every child is a unique complex individual. All need different handling and attention.

Support the efforts of the school in developing the whole child.
TRANSPORTING CHILDREN TO SCHOOL IN PRIVATE VEHICLES

The Regulations that the Education Department set regarding the transportation of children are as follows:

2. Children are to be transported only by an experienced driver. Under no circumstances can children be driven in a vehicle driven by a driver to whom L or P plates apply.

4. When private vehicles are required for school excursions parents will be informed of the arrangements and will be given the opportunity to permit or not permit their children to travel in private vehicles.

5. No child can be conveyed in a private vehicle unless a seat belt is available for each passenger.

6. Each child is to be correctly restrained with a seat belt.

7. At no time will excess children be permitted to travel in a vehicle. Vehicles without seat belts cannot be used to transport children to and from functions.

8. The driver must be covered by Third Party Property Damage Insurance.
